

## Chove Chuva

**Jorge Ben Jor**

Chove Chuva  
Chove sem parar...(2x)

Pois eu vou fazer uma prece  
Prá Deus, nosso Senhor  
Prá chuva parar  
De molhar o meu divino amor...

Que é muito lindo  
É mais que o infinito  
É puro e belo  
Inocente como a flôr...

Por favor, chuva ruim  
Não molhe mais  
O meu amor assim...(2x)

Chove Chuva  
Chove sem parar...(2x)

Sacundim, sacundém  
Imboró, congá  
Dombim, dombém  
Agouê, obá  
Sacundim, sacundém  
Imboró, congá  
Dombim, dombém  
Agouê  
Agouê, oh! oh! oh! obá  
Agouê, oh! oh! oh! obá  
Agouê, oh! oh! oh! obá...

## It Rains Rain

It rains rain,  
it rains without stopping...  
It rains rain,  
it rains without stopping...  
So I'm going to make a prayer  
to God, our Lord,  
to make the rain stop  
making my divine love wet...  
Because it is very pretty,  
it is more than the infinite,  
it is pure and beautiful,  
innocent like the flower...  
Please, bad rain,  
don't make wet  
my love like this...  
Please, bad rain,  
don't make wet  
my love like this...  
It rains rain,  
it rains without stopping...  
It rains rain,  
it rains without stopping...  
So I'm going to make a prayer  
to God, our Lord,  
to make the rain stop  
making my divine love wet...  
Because it is very pretty,  
it is more than the infinite,  
it is pure and beautiful,  
innocent like the flower...  
Please, bad rain,  
don't make wet  
my love like this...  
Please, bad rain,  
don't make wet  
my love like this...  
It rains rain,  
it rains without stopping...  
It rains rain,  
it rains without stopping...  
Sacunding, sacundeng,  
imboroh, congah,  
dongbing, dongbeng,  
agou-eh, obah...  
Sacunding, sacundeng,  
imboroh, congah,  
dongbing, dongbeng,  
agou-eh, obah..
